

nothing beats tradition

For 41 years the YWCA of Greenwich and the YWCA Dolphins Swim Team has been a leader in competitive and instructional swimming from Learn-to-swim, Age Group, High School and Masters. With countless local, state and National Champions as well as over 60 combined Olympic Trial, Senior and Junior National qualifiers and collegiate swimmers and alumni, it is a team with nine different levels for all abilities allowing for flexibility, development and improvement out of pools at the YWCA, Greenwich High School and outdoor Long Course in Rye, giving us 14 short course and 8 long course lanes of water. With local meets in the Connecticut Y Swim League and through USA Swimming and Connecticut Swimming, we offer a variety of competitive options. A quality coaching staff with over seventy five years of combined experience will enhance every swimmers development!
